“Delivering the Promise of a Brighter Future”

August 1, 2015

Gouverneur High School Supply List Information

Students can anticipate a variety of class supplies in grades 9-12. These needs will vary greatly between classes and teachers. The following items will provide a good starting place for the first days of school. Teachers will communicate their individual needs on the first day of school.

1. Basic supplies - including, but not limited to: pens, #2 pencils, markers, colored pencils, loose leaf paper
2. Organizational supplies - including but not limited to: pocket folders, post-it notes, spiral notebooks (individual or multi-subject), several 3-ring binders
3. Study aides - including, but not limited to: index cards, highlighters, a calculator, page flags/markers

(Check with the math teacher first before investing in an expensive calculator. Graphing calculators, for example, are required in many high school math classes. However, math teachers advise parents not to buy a calculator with more functions than your student will use.)

Additional items will be communicated by teachers on the first day of school.
